

Reflecting on how to present a gate with the ideas of "the living flame", peace from conflict, how war is started and where peace originates and is finally achieved, we have an initial design idea.

### Living Flame Gates

#### Theme:

After conflict, Peace

By the "Living Flame"

Through love of Christ and His Mother

#### Basic Description:

A double gate of approx. just over 10 feet or 3 metres span.

Each leaf comprises 3 sections hinged to each other to fold into a triangle in plan view.

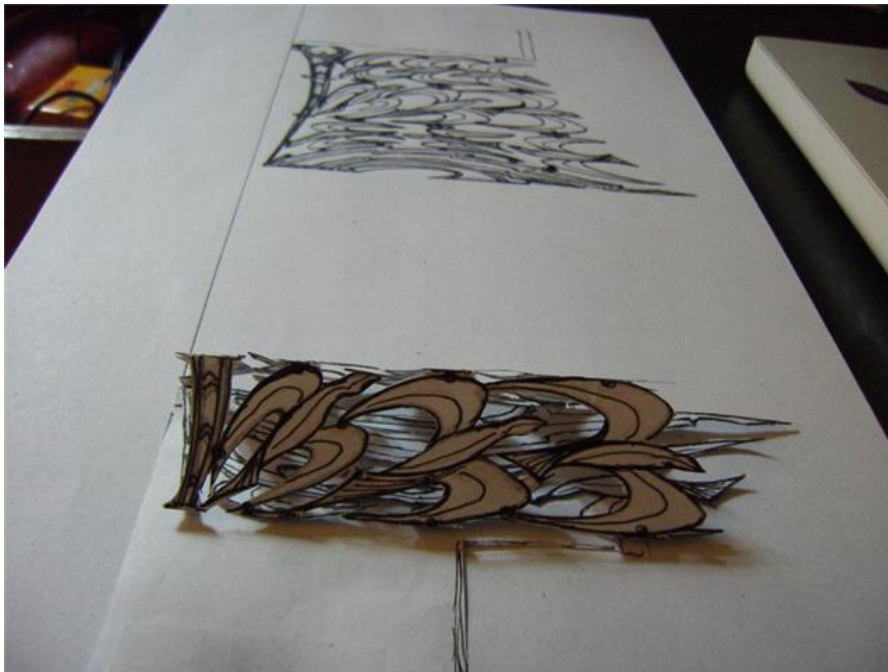

Material is forged and polished stainless steel round bar and angle section.

#### Elements:

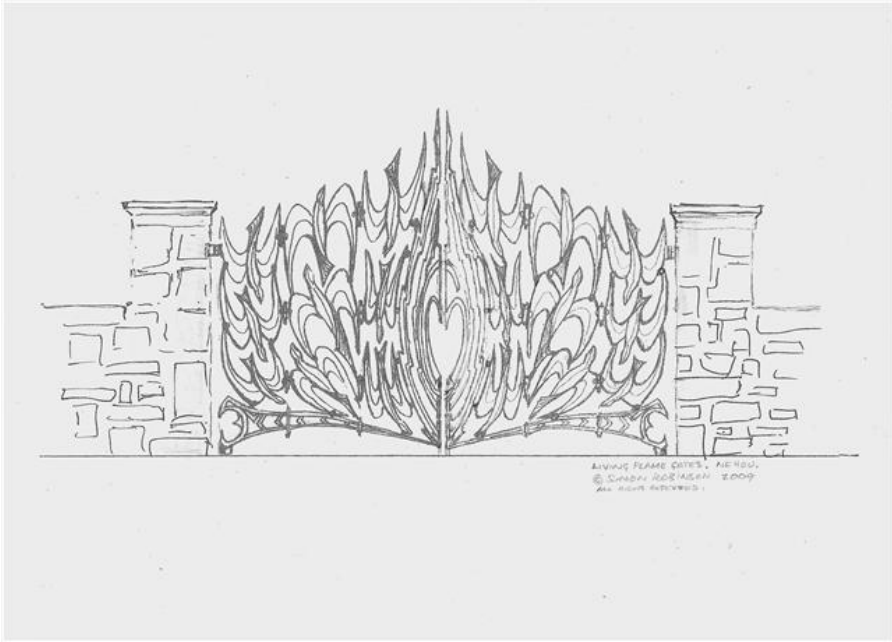

Symbolism of the reciprocal nature of love through rising and descending doves.

Central theme of Living Flame surrounding letters 'C' Christ and 'M' Mary. 'M' also symbolic heart.

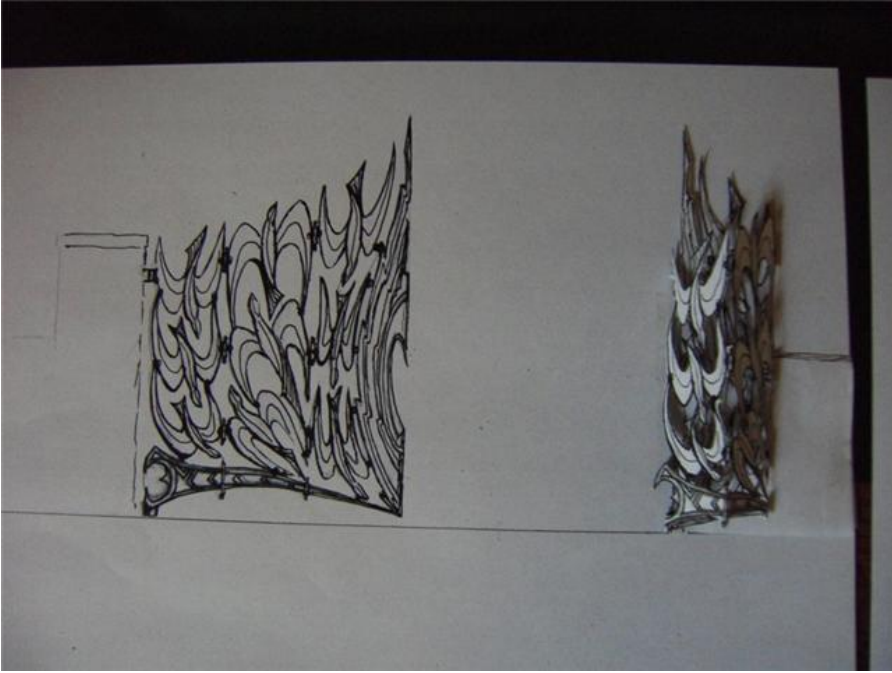

The whole is squashing out or triumphing over conflict symbolized by serpent as opposite of God's love.
